EDUCATION

Vellore Institute of Technology

Bachelor of Technology – Computer Science and Engineering

Vellore, India

Expected Graduation: May 2028

CGPA: 9.03 / 10.0

Absolute Minds

Class XII (CBSE/State Board)

Tirupati, Andhra Pradesh

2024

Percentage: 89.6%

SHLOKA-A BIRLA SCHOOL

Class X (CBSE/State Board)

Tirupati, Andhra Pradesh

2022

Percentage: 85.4%

PROJECTS

MedSync – AI-Powered Medical Report Analysis Platform

Hackathon Team Project

Full-Stack & AI Integration

- Developed a healthcare web application for patient record management and AI medical report analysis.
- Built a responsive **React** dashboard for tracking patient profiles, medications, and laboratory results.
- Implemented secure authentication and cloud storage using **Firebase Authentication** and **Firestore**.
- Engineered a **Flask** REST API backend to process PDF medical reports and generate structured clinical summaries.

Interactive PRP Building Navigation System

Web & PWA Project | VIT Vellore

Developer

- Designed and deployed an interactive, floor-wise navigation web application for Pearl Research Park (PRP).
- Built scalable **SVG-based** floor maps supporting interactive room visualization and smooth zooming.
- Configured **Service Workers** and **Web App Manifests** for asset caching and offline PWA functionality.

SVFL E-Commerce & Retail Showcase Web Platform

Client Project

Web Developer

- Deployed a web presence for a local family retail business (SVFL) to showcase apparel collections.
- Created a responsive UI featuring interactive product galleries and store catalog displays.
- Optimized page load speeds and cross-device responsiveness for seamless mobile and desktop browsing.

TECHNICAL SKILLS

Languages: Java, Python, C, JavaScript, HTML5, CSS3, SQL (Oracle)

Frameworks: React, Node.js, Express.js, Flask, Bootstrap

Databases & Cloud: Oracle SQL, Firebase (Firestore, Auth), MongoDB (Basic)

Tools & Technologies: Git, GitHub, VS Code, Vercel, REST APIs, Progressive Web Apps (PWA)

CERTIFICATIONS

Advanced Generative AI | IBM Career Education Program (IBM Developer Skills Network)

LEADERSHIP & INITIATIVES

Hackathon Technical Contributor & Team Integration Lead | Collaborative Hackathons

- Spearheaded integration between React frontend components and Flask REST API services during hackathons.
- Managed Git version control workflows and coordinated module design across teammates under tight deadlines.
